### Finance News

Last week the three parishes were audited by the diocesan finance team. I am pleased to say that there were no major problems. I would like to express my thanks to those in each of the parishes are part of the finance teams, who count the money and look after our Gift Aid records. Due to several changes the diocese have asked us to implement, we are in need of some more volunteers to join the existing teams in our parishes. If you can help, please let me know.

Many thanks for your continued generosity in the parishes, **12th November** were: St. Bride's: £661; St. Anne's: £320. The collection for last Sunday were: St. Bride's: £716; St. Anne's: £320.

The final special collection for this year will take place on **Poor Mission Fund**. This is the fund the diocese has to assist parishes with difficulties.

The retiring collection last Sunday in the three parishes for Holy Family was £2000. This is almost enough to pay for one child to go to Lourdes. Thank you for your generosity!

**SCIAF** Last week we received a thank-you letter from SCIAF for the collection in St. Bride's. This year we have raised over £2000.
